Lardner and District Primary School

$4000 RAISED BY OUR PARENTS, FRIENDS AND STAFF AT FARMWORLD

Yes that’s right look what we have achieved for the children of Lardner and District Primary School. These funds are going towards new Basketball Backboards and other resources nominated by the children, parents and staff.

On an annual basis the school has an opportunity to raise this level of funds for the school through FARMWORLD—the largest regional agricultural event in the state. Parents and friends remove rubbish from the general bins and replace the liners. For every hour that each of us works, the school receives $20 per hour.

This is a lot of work for a core group of people and next year we need all families to get on board.

We urge all families to join in the fund raising next year. FARMWORLD will be in March 2017 … details will be issued in first term.

A very big thank you to Sarah Heywood who coordinated the Rubbish Collection and to Liz Griffin who helped her. It was a huge job, requiring many hours of effort and hard work. Also thank you to the amazing parents, families, friends and staff who gave their time to contribute to this wonderful fundraising effort.

It was been an extraordinary effort for a little school.

GOOD FRIDAY APPEAL

A big thank you to the school community for their generosity in raising money for the Royal Children’s Hospital Good Friday appeal on the last day of Term 1. I am pleased to announce that we raised $142. That was a fantastic amount from a little school. Thanks to the parents who chipped in extra money at the BBQ. Excellent effort!

ANZAC DAY HOLIDAY

Monday is ANZAC Day and a public holiday, therefore the school will be closed. There is no school for students on Monday. Our School Captains, Shenay Griffin and Ben Hansford, will be representing our school at the ANZAC Day service in Warragul. We know they will be outstanding representatives.

STUDENT ATTENDANCE

Unless your child is sick please stop and think before keeping your child home from school. Every day counts, every absent day from school is missed learning opportunities. Did you know in primary school, some students miss on average 3 weeks of school per year. That’s half a year by the end of Year 6. Some students miss even more. If your child misses six weeks of school per year from Prep - 6, that is a WHOLE year of primary school missed by the end of a child’s schooling.
INTERNATIONAL COMPETITIONS AND ASSESSMENTS FOR SCHOOLS (ICAS)

Students at Lardner and District Primary School have the opportunity to sit the International Competitions and Assessments for Schools testing. Students from Australia, New Zealand, the Pacific region and International schools may choose to undertake these tests. As our key focus is to extend the learning growth of every child, we believe it is important to make this academic opportunity available to our students.

These tests are optional, it is a parent/child choice. There is a fee for each test as outlined below. There is more information available on the ICAS webpage [https://www.eaa.unsw.edu.au/icas/about](https://www.eaa.unsw.edu.au/icas/about).

The tests are available for students from Years 2-6.

Each test costs **$8.80 (per test, per child)**

If you wish for your child to sit any or all three of the tests below please complete write your child’s name on an envelope with the test(s) you wish them to complete plus the money enclosed by **Tuesday 26th April 2016**.

The 2016 ICAS sitting dates for Australia, New Zealand, the Pacific Region and International Schools are:

NAPLAN

The National Assessment Program – Literacy and Numeracy (NAPLAN) 2016 for Years 3 and 5 students will be held on Tuesday 10 May, Wednesday 11 May and Thursday 12 May 2016. NAPLAN tests assess student knowledge and skills in Writing, Reading, Language Conventions (spelling, grammar and punctuation) and Numeracy.

The results of the tests provide information for students, parents, teachers and principals which can be used to improve student achievement.

Support can be arranged for students with disabilities, if the student regularly uses similar support for classroom assessment tasks.

**Exemptions may be granted to students with significant intellectual disabilities and to students who have been learning English for less than one year.**

If your child is eligible for support due to disability or an exemption, you should discuss this with his/her teacher prior to the tests. Parental consent is required before any support due to disability or exemption is granted.

Students may be withdrawn from NAPLAN by their parent or carer. This is a matter for consideration by parents and carers in consultation with the principal. If, after consultation, you decide to withdraw your child, you must sign a Student Withdrawal form. These forms are available at the school.

Later in the year you will receive your child’s personal NAPLAN report. The report will describe your child’s particular skills in Reading, Writing, Language Conventions (spelling, grammar and punctuation) and Numeracy. The report will also show how your child performed in relation to national minimum standards. These describe the minimum acceptable standards for students across Australia.
