"We acknowledge the traditional custodians of this land and pay our respect to all the elders past, present and future for they hold the memories, the traditions, the culture and hopes of indigenous Australia".

Principal Update

Well done everyone on getting through our 'mid term break'. Students have come back to school with lots of energy and ready to learn. It was really exciting to see the level of commitment to the learning tasks in purple room, especially the effort that went into the writing. It is really important that we continue to build active learning and encourage students to focus on ensuring their work is of quality.

Pride Projects: We have just started our new round of pride projects. If you would like to come in and support the projects please let us know. Just a reminder to parent helpers to complete your Working With Children's Check so we can get you started. Please see Heather in the office if you need help with this.

Have a great week!
