“We acknowledge the traditional custodians of this land and pay our respect to all the elders past, present and future for they hold the memories, the traditions, the culture and hopes of indigenous Australia”.

Principal Update

The end of week 3 already!

A massive thankyou and well done to staff who worked so hard to provide remote learning opportunities and keep students connected. Well done to students in blue room and purple room for monitoring their emails and staying in regular contact with their teachers. I would also like to thank our Lardner parents/ carers who supported the transition to remote learning so well. We have a wonderful school community!

Casserole Tea

Our casserole Tea night will need to be rescheduled to later in the Term. A date to be advised shortly.

Life Education

Our life education sessions support student wellbeing and will be going ahead as planned on Monday. Please make sure you return the permission form sent out first thing Monday morning.

Taskworks Incursions – rescheduled to 30th of August

Our science incursion has been re-scheduled for the 30th of August. This incursion is totally hands-on and the equipment is designed in alignment with teaching STEM as well as general physical sciences. The Taskworks Company visited our school in 2019 and the students still talk about all the fantastic activities they were able to do.

2022 Prep Transition

Unfortunately due to lockdown 5.0 and ongoing restrictions our prep transition is on hold.

We are hoping that we will be able to incorporate some extra dates later in the term to make up for the missed sessions.

OUR VISION: To empower students to develop the knowledge, skills and values that will support them to become life-long learners and active, engaged and responsible citizens in the local and global communities.

Camps - Cancelled

Unfortunately due to Covid the Department of Education and Training has had to look at how camps are run for the remainder of the year and we have had to cancel both our camps for this year. We are extremely disappointed however the health and safety of our students and staff is of paramount. We are looking at our options to run a fun day for our camp students either onsite or locally offsite.

Camp payments will be refunded to families but this process does take time so please be patient while this is completed.

Working Party Meeting

Our next working party meeting will need to be postponed until further notice. Our next meeting date is yet to be confirmed.

L&DPS STUDENT LEARNING DISCUSSIONS— Change of Date

Student Led Learning Discussions are being held on Thursday the 19th of August. Preferred times must be returned to the office by as soon as possible.

An important part of building active learners is supporting students to reflect on and engage in conversations about their learning. Students have prepared materials to be discussed at the student learning meetings, so it is important that they attend on the day/evening.

If you would like to discuss your child’s learning without them present, please make a time with your child’s teacher.

Please write your child’s name in the box of your preferred time also numbering your second and third preferences. This helps us allocate times as best as we can so that no-one misses out. We understand that this day may not suit everyone. If that is the case, please make an alternative time to meet with your child’s classroom teacher. It is important that your discussions keep to the allocated timeslot. If you need more time for your discussion, then please make arrangements to meet with the teacher at a later stage.
