SHARED EXPECTATIONS AND RESPONSIBILITIES

Homework is a shared responsibility between the school, teachers, students and their parents/carers. In order to get the most out of homework tasks, it is important that everyone understands their obligations and responsibilities.

Responsibilities and expectations for the **Principal** at Lardner and District Primary School are to:

- advise teachers, students and parents/carers of homework expectations at the beginning of the school year and provide them with access to the homework policy.

Responsibilities and expectations for **teachers** at Lardner and District Primary School are to:

- set homework that is curriculum-aligned and appropriate to the student's skill level and age
- ensure homework tasks are purposeful – this means they are deliberately designed and planned to support student learning (so, they are not 'busy work' or where students 'finish off' work they did/could not complete in class) *If learning is incomplete due to behaviour choices outside of the schools values and expectations, this will be discussed on a case by case basis.*
- assess homework and provide timely and practical feedback
- ensure the amount of homework set supports a student to engage with a range of recreational, family and cultural activities outside of school hours
- offer opportunities for families to engage in their children's learning.

Responsibilities and expectations for **students** are:

- being aware of the school's homework policy
- discussing homework expectations with their parents/carers
- accepting responsibility for the completion of homework tasks within set time frames
- following up on comments made by teachers
- seeking assistance when difficulties arise
- organising their time to manage home obligations, participation in physical activity and sports, recreational and cultural activities and part-time employment (for older students).

Responsibilities and expectations for **parents/carers** are:

- ensuring there is a balance between the time spent on homework and recreational, family and cultural activities
- talking to teachers about any concerns they have about the homework
- discussing homework with their child in their first language, if English is not the main language spoken at home,
- in dialogue, linking homework to:

- previous experiences the child and/or parent/carer may have had
- family culture(s), history(ies) and language(s)
- relevant services, clubs, associations and community.
- ensuring there is a quiet study area for their child to complete homework.

SUPPORT FOR STUDENTS AND PARENTS/CARERS

Lardner and District Primary School understands that students have different learning strengths, preferences and interests and may approach learning activities and homework differently. If parents/carers are concerned their child may not understand the homework tasks that have been set or is spending a long period of time completing their homework, we encourage parents/carers to speak to their child’s teacher.
