

# YARD DUTY AND SUPERVISION POLICY

## Help for non-English speakers

If you need help to understand the information in this policy, please contact the school office on (03) 5626 1303.

## PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

## SCOPE

This policy applies to all teaching and non-teaching staff at Lardner and District Primary School, including education support staff, casual relief teachers and visiting teachers.

## POLICY

Appropriate supervision is an important strategy to monitor student behaviour and enables staff to identify and respond to possible risks at school as they arise. It also plays a vital role in helping schools to discharge their duty of care to students.

The Principal is responsible for ensuring that there is a well organised and responsive system of supervision and yard duty in place during school hours, before and after school, and on school excursions and camps and other school activities.

School staff are responsible for following reasonable and lawful instructions from the Principal, including instructions to provide supervision to students at specific dates, times and places. Supervision should be undertaken in a way that identifies and mitigates risks to child safety.

### Before and after school

Lardner and District Primary School grounds are supervised by school staff from 8:35am until 3:43pm. Outside of these hours, school staff will not be available to supervise students.

Parents and carers will be advised through our newsletter, face to face, emails and/or SENTRAL that they should not allow their children to attend Lardner and District Primary School outside of these hours.

If a student arrives at school before supervision commences at the beginning of the day, the Principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the Principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- contact Victoria Police and/or Child Protection to arrange for the supervision, care and protection of the student.

## Yard duty

All staff at Lardner and District Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The Principal or alternative nominee e.g. Daily Organiser/Teacher in Charge is responsible for preparing and communicating the yard duty roster on a regular basis. At Lardner and District Primary School, there are two staff on duty each break time. We do not have yard duty zones, both staff members will cover the grounds work collaboratively and wearing high vision vest for easy identification by students.

### **Yard duty equipment**

School staff must:

- wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests are individually named and stored in classrooms. There are also hi-vis vests available at the entrance of the administration building.
- carry the yard duty first aid bag at all times that includes student health and safety information during supervision. The yard duty first aid bag will be stored at the entrance of the administration building.

Yard duty equipment must be returned after the period of supervision or handed to the relieving staff member.

### **Yard duty responsibilities**

Staff who are rostered for yard duty must remain in the yard until they are replaced by a relieving staff member.

During yard duty, supervising school staff must:

- methodically move around the school ensuring active supervision of all students
- where safe to do so, approach any unknown visitor who is observed on school grounds without a clear legitimate purpose, and ensure they have a visitor pass and have signed in (excluding drop off and collection periods)
- be alert and vigilant
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures set out in the school's Student Engagement policy
- ensure that students who require first aid assistance receive it as soon as practicable
- log any incidents or near misses as appropriate in first aide records and on Sentral as required.

If being relieved of their yard duty shift by another staff member (for example, where the shift is 'split' into 2 consecutive time periods), the staff member must ensure that a brief but adequate verbal 'handover' is given to the relieving staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the principal or teacher in charge with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made. Staff can swap duty to cover themselves but must notify the principal of this change and record the change on the staff noticeboard.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the office but should not leave the designated area until the relieving staff member has arrived in the designated area.

If the relieving staff member does not arrive for yard duty, the staff member currently on duty should send a message to the office and not leave the designated area until a relieving staff member has arrived.

Students will be encouraged to speak to the supervising yard duty staff member if they require assistance during recess or lunchtime.

## Classroom

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the buddy teacher and then the office for assistance. The teacher should then wait until a replacement staff member has arrived at the classroom before leaving.

## School activities, camps and excursions

The Principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activity. Appropriate supervision will be planned for school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved, and will follow the supervision requirements in the Department of Education [Excursions Policy](#).

## Digital devices and virtual classroom

Lardner and District follows the department's [Digital Technologies - Responsible Use policy](#) with respect to supervision of students using digital devices.

Lardner and District Primary School will also ensure appropriate supervision of students participating in remote and flexible learning environments while on school site. In these cases, students will be supervised in middle break out spaces for example whilst engaging in the High Ability Program online classes or private online speech and psychology sessions.

While parents are responsible for the appropriate supervision of students accessing virtual classrooms from home:

- student attendance will be monitored by teachers checking in a minimum of twice daily.
- any wellbeing or safety concerns for the student will be managed in accordance with our usual processes – refer to our Student Wellbeing and Engagement Policy and our Child Safety Responding and Reporting Policy and Procedures for further information.

## Students requiring additional supervision support

Sometimes students will require additional supervision, such as students with disability or other additional needs. In these cases, the Principal or delegate will ensure arrangements are made to roster additional staff as required. This may include on yard duty, in the classroom or during school activities.

## Supervision of student in emergency operating environments

In emergency circumstances our school will follow our Emergency Management Plan, including with respect to supervision.

In the event of any mandatory period of remote or flexible learning our School will follow the operations guidance issued by the Department.

## COMMUNICATION

This policy will be communicated to our school community in the following ways

- Included in staff induction processes
- Discussed at staff briefings or meetings, as required
- Made available in hard copy from school administration upon request

Information for parents and students on supervision before and after school is available on our school website and parent reminders are sent in our school newsletter.

## POLICY REVIEW AND APPROVAL

Policy last reviewed	1 <sup>st</sup> April 2026
Approved by	Principal
Next scheduled review date	Before 1 <sup>st</sup> April 2028

This policy will also be updated if significant changes are made to school grounds that require a revision of Lardner and District Primary School’s yard duty and supervision arrangements.
